GroPanda UI Wireframes

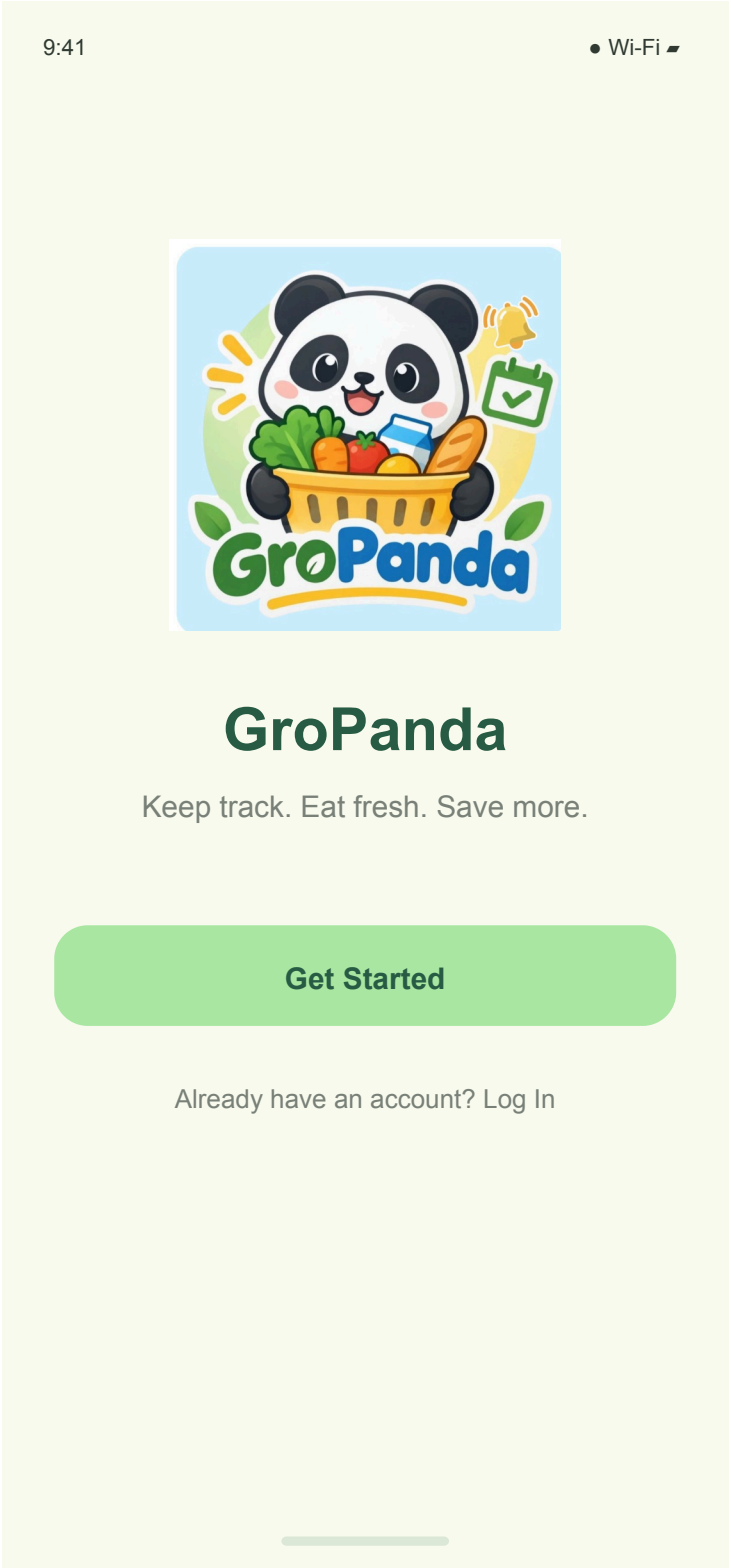

This document contains only the app's mobile UI wireframes. It does not include system architecture, database schema, or setup instructions. The screens are illustrative layouts based on the current Flutter app; sample values and long-page scrolling are representative.

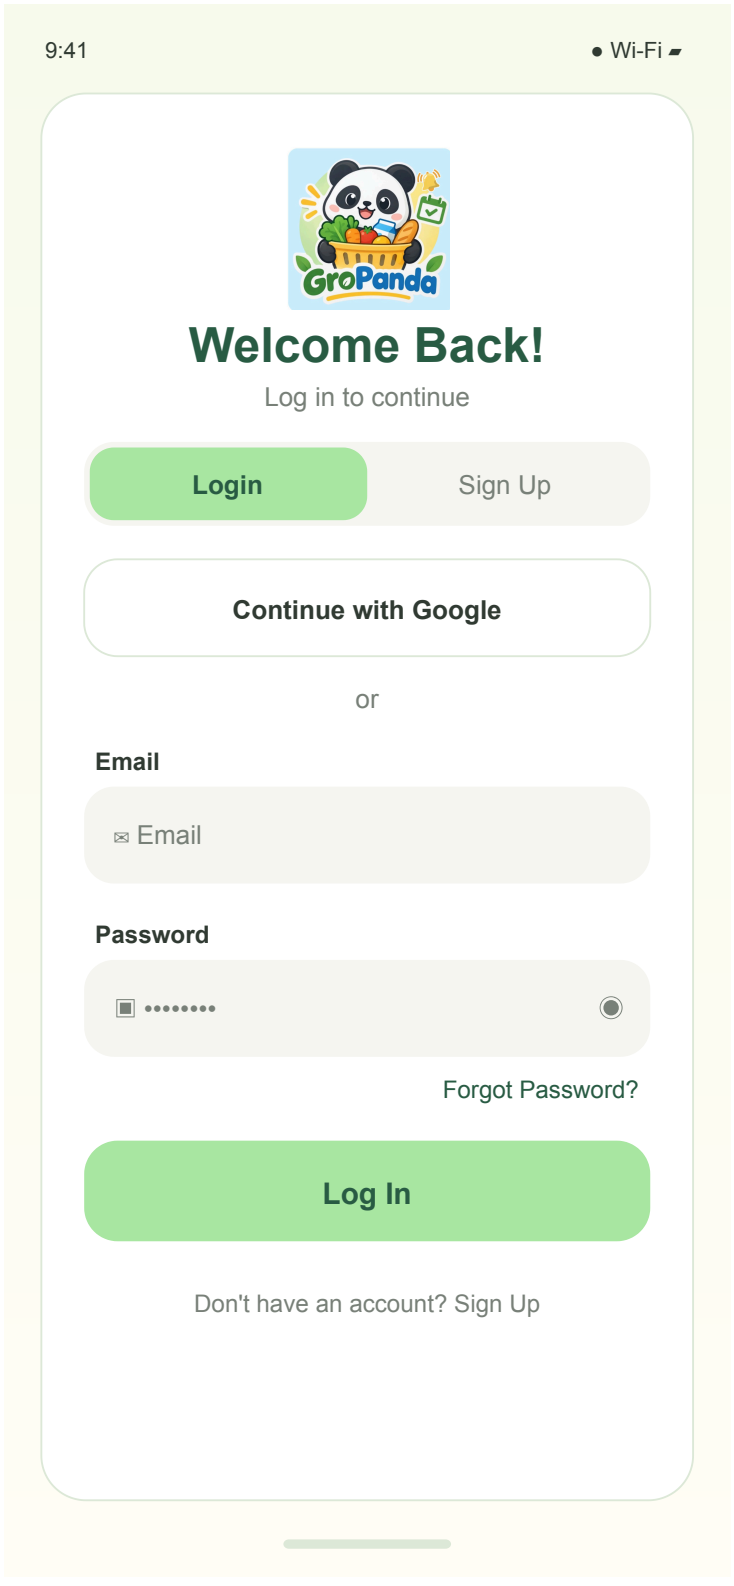

Printable copy: UI_WIREFRAMES.pdf. Regenerate it from the repository root with:

```
python3 docs/export_system_design_pdf.py docs/UI_WIREFRAMES.md docs/UI_WIREFRAMES.pdf
